

Missoula Corporate | 1817 South Avenue W, Suite A | Missoula, MT 59801

Territorial-Landworks, Inc. seeks a **PLS or LSI to fill a Project Surveyor I position** in our Missoula, Montana office.

Qualifications: We are looking for an energetic person that wants to join a progressive company and work and grow in our Missoula Office. Our ideal candidate has a strong work ethic and high regard for the survey profession who wants to be part of a growing company that looks to hire the best in the industry.

The baseline qualifications for the position includes industry experience and an ability to manage clients and survey projects in various stages of development. Licensure as either a Professional Land Surveyor (PLS) or Land Survey Intern (LSI) status with 3-5 years' experience.

Essential Functions:

- Provide guidance to survey crews and other survey staff members
- Provide Quality Control of work performed through review
- Familiarity with survey technology and skills, including PLSS, GPS principles, etc.
- Ability to manage clients and network within the community
- Ability to manage projects, including budgets and schedules
- Knowledgeable in the Montana Subdivision and Platting Act
- Meet the physical challenges of survey field work when necessary
- Must have valid driver's license and be able to pass a driving record check to meet our insurability requirements

Additional Responsibilities:

- Ability to work in field and/or office setting.
- Familiarity with survey data collection using GPS and robotic total stations.
- Construction staking, ALTA surveys, plats, deeds, legal descriptions, research, etc.
- Provide training and mentorship for survey staff

Expectations:

- Position is 40+ hours per week of combined office (75%) and field (25%) work.
- Field work will require the ability to walk on uneven terrain for up to 8 hours per day.
- Job location is based in Missoula, Montana, with occasional travel to outlying areas.

Highly competitive salary, health insurance, vision insurance, dental insurance, 401k, paid holidays and additional benefits.

To apply, please submit resumes with a cover letter to www.territoriallandworks.com.
