

EMPLOYMENT OPPORTUNITY / LSIT

Morris Land Surveys, P.L.L.C. is a small private firm with medium capabilities, centrally located in Choteau, Montana. The firm is comprised of talented professional personnel and utilizes modern equipment to offer services throughout Montana and Idaho to a variety of clients in the Commercial, Energy, Industrial, Municipal, and Residential markets.

Currently, Morris Land Surveys is seeking an individual for an entry level position who desires a career path towards licensure as a Professional Land Surveyor. A qualified candidate will currently be an LSIT or able to sit for the LSIT exam within 12 months of employment. This opening will require both office and field employment in support of client driven projects. Knowledge and experience operating Leica equipment, and office software is preferred, and knowledge of the Public Land Survey System and AutoCAD is required.

Specific job duties will be in support of existing survey operations. This position will allow for personal and professional growth in the field of surveying and land development.

Competitive compensation will be based on experience and a comprehensive benefit package is available.
