Subject: FW: Forest Service - Entry Level Land Surveyor Position - Coeur D'Alene, ID

All,

Please share this job opportunity, THANKS!

Vacancy announcement 21-R1SVNOV-10995234-DP-AB is open on USAJOBS for the position: Land Surveyor, GS-1373-5/7/9 in Coeur d'Alene, ID. **The announcement opened today, 1/6/2021, and closes Tuesday, 1/12/2021.**

Responsibilities

- The duties listed are at the full performance grade level (GS-09).
- Plans and conducts cadastral surveying projects , involving conflicting title data or fragmentary corner evidence requiring research, evaluation and the proper application of pertinent State and Federal laws, under a registered land surveyor.
- Assembles all survey project data and performs the necessary mathematical computations involved in traverse closure, azimuth determination, state plane coordinate transformation, section subdivision, route alignment, and location.
- Prepares preliminary and final survey plats, drawings, reports, legal records, and title descriptions for review and approval by a registered land surveyor.
- Serves as a contract inspector ensuring compliance with contract specifications on survey projects contracted with private surveying firms.
- Provides technical guidance and training to Forest survey personnel performing cadastral, geodetic, rights-of-way, and engineering surveys.
- Performs maintenance, calibration, and adjustment of precision surveying instruments and related equipment.

Following is the USAJOBS link for this position: <https://www.usajobs.gov/GetJob/ViewDetails/588616700> .

*Please read the entire vacancy announcement, particularly the **REQUIRED DOCUMENTS** section. If all required documents are not submitted, applicants will not be referred. **Applicants must select all eligibilities for which they would like to be considered.** Also as stated in the Announcement, **transcripts are required at the time of application** for this professional position. A copy of a diploma does NOT meet this requirement.

-Eric-
